

November 2018

Sean Barrett

PRESIDENT'S CORNER

Well, it is snowing and cold outside. I hate this weather. This weekend I put gas stabilizer in the bike and changed the oil and filter. I should be able to get out at least once or twice a month but you never know. Better to be on the safe side.

On to good news. We have a president! John Humphrey volunteered to do it again, so we voted on it at the last meeting and he was elected. Welcome back John. At the September meeting, we proposed that the new Board start in November rather than after the banquet which is in February and keep the old board as backup until the banquet. That makes John our new president and me as backup. Thanks John.

Our big project for this winter is to update the bylaws and further define the various positions in the club. I will be submitting an outline this weekend to the board and get everyone working on it. If you have a particular interest in this, let me know and I will add you to the e-mail list. At our conclusion, we will submit everything to the general membership for approval.

Thanks to everyone for their support this past year and I am looking forward to seeing everyone at the banquet.

Ride hard, ride safe,
Sean

General Membership Meeting Minutes

November 17, 2018
Breakneck Tavern, Mars, PA

The regular meeting of Four Winds Riders at Breakneck Tavern of Mars, Pa on November 17, 2018 had 22 members in attendance. Sean Barrett, President presiding over the meeting.

Old Business: John Humphrey was nominated for President in 2019 by Sean Barrett and nomination seconded by all members. Banquet preparations underway and nearing completion.

New Business: Discussion on offering custom printed bandanas/neck tubes and voted to limit quantity to 200 units and seek more information for next meeting.

The MOA National Rally has caused us to move our June 2019 meeting to the 22nd of June so members may attend both the rally and our meeting. Glenn Kidd and his wife Eileen were at the meeting and Glenn's health is continuing to improve.

Ralph Meyer is recovering and doing better with his health, but didn't make it to the meeting.

The 50/50 raffle was won by John Humphrey for \$32.50.

Submitted by Adrian Marini, Vice President
