

Minutes - Four Winds General Meeting
Saturday, November 20, 2021
North Park Clubhouse, Cranberry PA

Ed called the meeting to order at 12:15 PM. 23 members and guests attended with a strong showing of 11 bikes on this brisk morning.

Ed asked if any new faces would like to introduce themselves and offer a brief comment about their motorcycling interests. Bill introduced himself and his guest and reported he's not really new to the club but it's been a long time since he's attended a monthly meeting. They've been riding for a number of years and continue to enjoy riding. Jeff followed and echoed the comment that he's not really new to the club but has not been attending meetings for some time. With the riding season coming to a close, Jeff suggested it would be great to see a group of Four Winds' members gather on the slopes at Seven Springs this winter. He shared a few details about week-day season passes and hopes for a repeat of last year's snowfall. Several comments followed to the effect that a number of Four Winds members are likely to enjoy their days on the slopes this year. Nothing official to be organized yet.

Ed offered his Treasurer's report indicating that the checking account balance is substantially unchanged since last month, and he still awaits receipt of one invoice from the 2021 annual rally. Ed invited all members to offer suggestions for events for the coming year by sharing ideas with a Board member. He confirmed that in addition to himself the following people are in place to serve for the year ahead: Joe Burns - President , Beth Ann - Vice President , Joe Marnell - Corresponding Secretary , yours truly - Recording Secretary , Diane and JoAnn - Webmasters , and Dennis - Director at Large. The Board remains committed to exploring all suggestions in hopes of increasing participation by club members and their guests.

As customary no monthly meeting is scheduled for December.
